ASSET FORFEITURE SECTION
PROGRAM MANAGEMENT TEAM

MEMORANDUM

DATE: December 20, 1993

TO: File

FROM: Peter J. Niendorf, CAPS Program Manager

SUBJECT: Rescheduling of First Publication - Puerto Rico Seizures

On November 18, 1993, George Medina, Administrative Officer for the San Juan District Office, informed me that the CCF publication order to *El Nuevo Dia* was received after the required first publication date. The first date of publication was scheduled for November 17, 1993. On November 19, 1993, Paula Graham (PMT/ Legal Technician III) expressed interest in the request for publication to Mr. Medina. The request for publication was also faxed to the San Juan District Office. As a result of the late arrival of the request for publication, I directed Mr. Medina to place the publication in the November 24, 1993 edition of *El Nuevo Dia*. PMT has confirmed that the publication was made on November 24.

As a result, GS seizure files originally placed with Ad-Code 218 have been refilled with Ad-Code 219.

Further inquiries concerning this matter should be directed to Ms. Graham on 7701.

cc: CCF/Ms. Floyd
